Learning English forever

Cenaise

**Es una compilación de varios trabajos, en relación
del aprendizaje del idioma inglés**

Quito - 2004

Taking into account that English is nowadays the most important foreign language spoken around the world. This job has been done to help and give students appropriate tools to face their future challenges which ones are going to push them to be integrate in the society around the world

This book has been build with activities where you are going to apply the knowledge that you are learning. At the end of each chapter you will find a short practice where the teacher and students should interact each other.

INDICE
